

# ACS SAN ANTONIO 2009 AWARDS

ROBERT FANICK, EDUCATION CHAIR

JAIME JURADO, CHAIR-ELECT

DR. MIKE RUBAL, CHAIR

OUR 2009 AWARDS DINNER SPONSORS... THANK YOU!!!

AVEDA INSTITUTE  
SAN ANTONIO

MAY 21, 2009 AT "TEXAS FARM TO TABLE CAFE"

Chef Brian and Elise Montgomery prepared a memorable celebratory dinner for 82 diners at our annual awards dinner, held this year at the courtyard of *The Aveda Institute of San Antonio* at the Pearl Brewery. Thanks for the great effort, Brian and colleagues!

CYNTHIA LEE □ FOUNDER [WWW.MOTAH.US](http://WWW.MOTAH.US) ' MAESTRA DE CEREMONIES'

Cynthia's discussion on why she has moved from broadcast news to a new, positive movement for children is at: <http://www.youtube.com/watch?v=ns2pcwk-mRg>

## SAN ANTONIO ACS AWARDS DINNER - MAY 21, 2009

### RAFFLE

Chair-Elect Jaime Jurado was helped by Svitlana Kroll and our *Maestra de Ceremonias* in raffling five nice contributed items. \$300 for Project SEED funding was raised! See video at: <http://www.youtube.com/watch?v=UYbJuYQmi>

### AWARDS CEREMONY

Education Chair Robert Fanick presented awards to Chemistry Exam highest-scorers (Chem 1 and Chem 2), as well as to the Alamo Regional Academy of Science and Engineering Science Fair Honorees (Jr. and Sr. Chemistry and Biochemistry); Dr. Philip Glapsy of San Antonio College presented five scholarships and Dr. Jean Hardies presented the \$1000 Gloria Lyle Scholarship, and Tesoro Corporation was given a certificate of recognition for funding Project SEED in 2009. Chair Robert Fanick was given a certificate for his continued leader-

ship of Education outreach, and a special acknowledgement of Prof. Budalar Thyagajaran in recognition of his decades-long support of Project SEED were part of the program. Two videos show the highlights: <http://www.youtube.com/watch?v=4O8OuWsyV34> and [http://www.youtube.com/watch?v=PkXff\\_iagtq](http://www.youtube.com/watch?v=PkXff_iagtq)

### KEYNOTE PRESENTATION BY FORREST MIMS III

Attendees were enthralled with the Keynote presentation which illuminated 10 different approaches to pursuing real science in our spare time and emphasizing 'do it yourself science', entitled: "Research Opportunities for Texas Students – And Families"

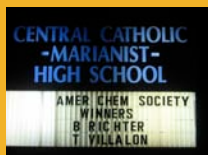

Three videos captured 80% of the presentation:
